An Introduction to ORC

Welcome to Oxfordshire Recovery College!

Here at the Recovery College, we offer free courses on mental health and wellbeing. Many of our students face challenges with their own mental health, but our courses are also open to family, friends and carers of anyone struggling and also mental health professionals. All our courses are interactive and based on learning together with others. Our courses are based on the recovery approach – we believe that people can and do recover from mental ill health to lead full and satisfying lives. We support people to find hope for the future, to regain a positive sense of self, to develop a sense of personal control and find opportunities to reach their own personal goals.

Our mission statement:

‘Through learning together, we support each other to grow in hope and confidence and develop skills to better manage our own mental health’

Co-production

Our key value is co-production. This means that we do everything alongside people with their own lived experience of mental health challenges. All of our courses are designed and delivered by both an Expert by Experience (someone with lived experience), and an Expert by Training (someone with a professional background in that area).

How do I enrol?

Students can self-refer and enrol themselves (see contact details below) or there is an enrolment form on our website. Students then complete an Individual Learning Plan (ILP) with one of our friendly Student Welfare Tutors and are offered an Induction to the College.

Our students choose which courses they want to take, and which order they want to take them in. If students like our approach, there is plenty of opportunity to get involved in the College, volunteer with us and train as a tutor on our twice-yearly tutor training. We have over thirty different courses available on a whole range of topics.

Examples of Courses:

- Understanding Mental Health
- Introduction to Recovery
- Understanding Anxiety
- Let’s Talk Loneliness
- Boosting Confidence
- Gender, Sexuality and Mental Health
- Understanding Depression
- Thinking about Thinking
- Understanding Personality Disorders
- Understanding Psychosis
- Wellbeing at Work
- Introduction to Mindfulness
- Relationships and Mental Health
- Wildlife and Wellbeing

Summer Term Welcome

Dear ORC Students,

We are really pleased to announce the Course Dates for Summer Term 2022, running from **Monday 25th April – Friday 15th July**.

We will be offering courses both in-person and online again this term. All our online courses take place on **Zoom** and we've also added in some more online **evening courses** this term between 7-8.30pm. Our in-person courses will take place in **Oxford, Didcot, Banbury, Witney and Berinsfield**.

NEW COURSES FOR THE SUMMER TERM:

Relationships and Mental Health – This course explores the impact of our mental health on relationships with others, and also the impact of relationships on our mental health. We consider relationships with partners, children, friends and work colleagues. We share ideas for how we can build healthier relationships within all these settings. We also consider how we can be more self-compassionate in our relationships with ourselves.

Let's Talk Loneliness – This course is suitable for anyone wishing to understand more about loneliness, how it can affect us in our day to day lives, and how we can manage it better. Together we will explore the different meanings of loneliness and look to understand more about what might contribute to it. Together we will discuss some useful coping strategies and share tips and ideas together as a group.

Expressive Writing with The Royal Literary Fund (RLF) – We are so pleased to be teaming up with the RLF to deliver a four-week course on Expressive Writing. We will listen to and talk about some poems and pieces of prose, before trying out some expressive writing of our own. Expressive writing is not creative writing or therapy, but the important process of getting our insides outside. It is a form of self-expression which helps a person to think about their life and put their thoughts and feelings into words with often surprising results. It is personal, freestyle writing that is not constrained by concerns about the 'end result', or writing conventions such as structure, spelling or grammar. Instead, expressive writing fosters personal awareness, resilience and wellbeing.

Yoga Taster Workshop with Sport in Mind – We are delighted that Sport in Mind are coming to The Straw Bale this Summer to deliver a bespoke Yoga Taster Workshop for ORC Students. Sport in Mind is an award-winning Mental Health Charity whose mission is to improve the lives of people experiencing mental health problems through sport and physical activity. The Yoga Taster workshop in June will be a gentle introduction to yoga, with all abilities welcome.

We really look forward to welcoming you to our courses in the Summer Term!

FAQS + Information - ORC Courses

How do I access the courses online?

All of our online courses take place on Zoom. Once we have confirmed your space, you will be emailed a Zoom link which you will need to click on to access the course on the day. You will be sent this link in advance, approximately 24 hours before the course is due to start, alongside some simple instructions in the email. We have tried to make this process as simple and accessible for students as possible. You shouldn't have to download the Zoom app beforehand to access the course, but it might be useful to do so. If you need any help with the technology, please don't hesitate to contact the team.

How many students will be on a course?

There will be up to 15 students on each online course, and up to a max of 14 on an in-person course, with two tutors for each course.

Course cancellations

If you need to cancel a course with us that you've been booked onto then we understand; plans change, or you might not feel well enough on the day. We would really appreciate if you were able to let us know if you are not able to attend your course, even if it's on the same day. This means that we are able to offer out your space to someone on the waiting list. The best way to contact us is via phone or email.

Can I join if I'm not a student at the College?

If you've never attended an ORC course before, you are welcome to enrol as a new student – please email or call us using the details below and we will take down a few details to enrol you. We will arrange a phone call for you with one of our Welfare Tutors to create an Individual Learning Plan (ILP) with you, and you can then sign up to any of our courses.
